1. On April 4, 2008, the Department of Local Government Finance (DLGF) issued a memorandum describing the multiple options available to counties for the use of a new tax comparison statement form (TS-1). In accordance with Indiana Code section 6-1.1-22-8.1, which went into effect on January 1, 2008, the TS-1 will serve as both an informational statement and a tax bill for 2007-pay-2008. A recent agreement reached between the DLGF and the Association of Indiana Counties (AIC), which is codified into law in House Enrolled Act (HEA) 1001, allows counties to send the new TS-1 form with the county's traditional tax bill for taxes due and payable in 2008.
2. **Six options have been developed by the DLGF at the request of County Treasurers, giving counties several options to be compliant with the law, and ensure that taxpayers receive the valuable information required by the statute. (For more information, please see <http://www.in.gov/dlhf/memos/>.)**

3. Option 6, as outlined in the April 4, 2008 memo, required the county to use the reconciliation tax form (TS-1-R), which incorporates the provisional bill (TS-1-P). Attached is the final version of the TS-1-P and TS-1R.
4. As noted, if Option 2 is selected, the county's tax bill must be submitted in a .pdf format for SBoA approval to Tammy White at tawhite@sboa.in.gov for approval. This must be done even if this form has been approved in previous years.
5. **If the county fails to use the TS-1 form, as required by law, the county's tax bill will be declared invalid and in violation of the requirements of Indiana Code section 6-1.1-22-8.1. As a result of this violation, the county will be required to re-print and mail new, compliant tax bills to taxpayers.**
6. Counties have the option to identify the form with a watermark alerting the taxpayer that it is a receipt, not a bill, and that the bill has been forwarded to the homeowner's mortgage company. The watermark may say, "Informational Purposes Only."
7. Further information useful to taxpayers and officials alike will be available on the DLGF Web site at www.in.gov/dlgf in the coming weeks. If you have any questions, please feel free to contact Charlie Bell, Director of Operations, DLGF, at cbell@dlgf.in.gov.
